

CSTEP

California Statewide Treatment Education Program

Certification

Training for HIV Providers

April 21-23, 2009

9:00am-5:00pm

Desert AIDS Project
1695 N. Sunrise Way
Palm Springs, CA 92262

Audience

The CSTEP CERTIFICATION in English is intended for providers serving clients living with HIV.

Topics include

- HIV lifecycle
- Opportunistic infections
- Goals and challenges of HIV medications
- Side effects & adherence strategies
- Research and clinical trials

Prerequisites

Attendees should have taken CSTEP BASICS or have some working knowledge of HIV treatment.

CSTEP offers FREE HIV trainings in both English and Spanish.

CSTEP trainings are designed for HIV providers including:

- Case Managers
- Treatment Advocates
- Health Educators
- Mental Health Counselors
- Outreach Workers
- Peer Advocates
- Substance Use Counselors

Space is limited. To register go to <http://www.cstep.org> or contact Sardis Rodriguez at cstep@apiwellness.org or (415)292-3420 ext.377.

CSTEP is a program of Asian & Pacific Islander Wellness Center.
