**Asian & Pacific Islander Wellness Center is a 501c(3) non-profit organization whose mission is** to educate, support, empower and advocate for Asian and Pacific Islander communities — particularly A&PIs living with, or at-risk for, HIV/AIDS. Founded in 1987 as a grassroots response to the HIV/AIDS crisis in communities of color, A&PI Wellness Center is the oldest and largest nonprofit organization in North America focusing on A&PI communities around sexual health and HIV/AIDS services. To meet the needs of our clients who are mostly immigrants or refugees, A&PI Wellness Center staff members speak over 20 Asian languages.
