

Check out these presentations from Asian & Pacific Islander Wellness Center at USCA!

THURSDAY

8:30 AM – 12:30 PM, Room TBA

A&PI Institute

Be sure to stop by the A&PI Institute for a panel discussion featuring executive directors from A&PI organizations from across the nation. The discussion will focus on the current challenges and emerging opportunities around HIV and the A&PI community. This institute is co-organized by Asian & Pacific Islander Wellness Center and Asian Pacific Islander American Health Forum.

FRIDAY

10:45 AM – 12:45 PM, Imperial A, Ballroom Level

Successful Treatment Training Model for HIV/AIDS Service Providers Working with Communities of Color: California Statewide Treatment Education Program (CSTEP)

Presented by Jane Dalugdugan, this session will discuss CSTEP's 12-year history and successes in training over 2000 providers across California to better serve PLWHA, linking clients to early treatment and care.

FRIDAY

3:00 PM – 5:00 PM, Union Square 3 & 4, Fourth Floor

Holistic HIV Prevention with Transgender Communities of Color: T-LISH, TRANS:THRIVE and the ATE Program

Nikki "Tita Aida" Calma and Luke Woodward will showcase A&PI Wellness Center's transgender programs, including interventions that develop social networks that provide emotional and practical support, coping skills and behavioral strategies to reduce drug use and HIV risk behaviors, and seek alternatives to reliance on sex work and drug use.

SATURDAY

2:45 PM – 4:45 PM, Room TBA

Evaluating the Adaptation & Tailoring of POL for MSM Asian & Pacific Islanders in San Francisco

In this session, presented by Alex Baty and Lance Dwyer, adapting and tailoring an effective behavioral intervention will be discussed, including challenges and barriers to implementation, the importance of monitoring and evaluation, as well as successes of this adaptation.
